The Aim of the Internship

• Extend the opportunity for participants to serve God in their Homeland through the AMAA

• Experience the impact made through Home Visitations, Daily Vacation Bible Schools for Handicapped, Daily Vacation Bible Schools for Children, helping summer camps, and more

• Enlighten young adults of the Armenian Diaspora with the important Christian ministry the AMAA is doing

• Embrace the rich cultural heritage and food of the Armenian people

• Work alongside churches and ministries supported by the AMAA to experience God’s work in the Homeland

• Visit key cultural sites and shop

• Bond with other interns from around the world and make lifelong friendships

The Mission Trip

The AMAA Summer Internship is an Annual Program which gathers young men and women to embark on a mission trip that will impact their lives for years to come.

"The Internship was truly enriching and life-giving. The balance between sightseeing, socializing and serving was excellent. I left the internship with a sense of fulfillment, being blessed spiritually and relationally." - Vahé J.
